

CHARLIE'S BEER COMPANY

The Charlie's Beer description

BEER: Belgian craftsmanship brewed, original Belgian premium lager beer

APPEARANCE: A beautiful light golden colored beer, with a firm, nice consistent white head, and tiny bubbles

FLAVOR: very harmonious, mild mouth feel and a balanced, inviting and refined taste with just the exact amount of bitterness. Overall a very smooth beer with no bitter after taste.

INGREDIENTS: Charlie's is brewed with the best and most natural finest hops, grains and the purest water from natural sources.

ALCOHOL: 5 percent ABV

Additional information:

Charlie's is a new, fresh, smooth tasting beer of the highest quality, in a modern can and a trendy package, brewed with craftsmanship in Belgium with a brewing heritage and tradition since 1758, especially made for the USA.
